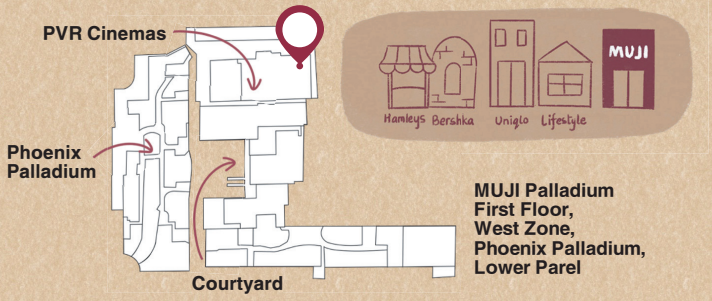
You're Invited

## To experience MUJI like never before

We're moving into a new, better and bigger space,
right here at Palladium on **26th September 2025.**

Discover a 11,000 sq. ft. world of everyday wonders thoughtfully designed for your home, your self-care, your travels, and your wardrobe. From sustainable essentials to functional favourites, there's something for everyone.



**MUJI Palladium**
**First Floor,**
**West Zone,**
**Phoenix Palladium,**
**Lower Parel**

Join us for our store opening and be part of a weekend of special offers, engaging activities and hands-on workshops.

The existing MUJI store at Palladium will soon be closing, so we can welcome you into something truly special.

We've created this invite with care and intention. We request you to preserve it as a memento, rather than dispose of it, to help reduce waste.
